

STUDY GUIDE

Ephesians 1:1-14

Read Ephesians 1:1-14

From the sermon what did you learn about the letter to the Ephesians?

As you consider the temple of Diana/ Artemis with its idolatrous worship, magical arts, and even a place where treasures of the ancient world were housed, what parallels can be seen in our day and age?

Paul says we have every spiritual blessing. What are some of these blessings?

How can focusing on these blessings influence our lives?

And you also
were included
in Christ
when
you heard
the word of
truth.
Ephesians 1:13

Verse 4 says that God chose us even before He created the world. What does election (that he chose us) mean to you?

What does Paul pray for us?

What does being sealed by the Holy Spirit mean? What is the significance of this?

Make a list from things in this verse of what God has done and a list of what we now have.

What for you is most significant?

"I HAVE NOT STOPPED GIVING THANKS FOR YOU, REMEMBERING YOU IN MY PRAYERS."

Paul prayed for Ephesians while he was in prison. Take the time to pray for the needs of others.
