

Ideally you will have some jelly beans (or other candy, or something else with these colours [LEGO?], either edible or not - use your imagination!)

The Story of the Father's Love told by some jelly beans:

Thank You Lord for these jelly beans* that remind me of Your love

Black represents my sinful heart, keeping me from You above

Red represents the blood You shed to give salvation free

White shows the cleansing of my sin as I put my faith in Thee

Yellow is for heaven above, my new home I'll have someday

Green is for the growth I'll see as I read Your Word and pray

Purple means You're King of all, the one I choose to obey

Blue is for Your Holy Spirit, who's here with me to stay.

[Now I'll learn about the colours, and know what each one means,
The story of my Father's love, told by some jelly beans]

* or ie. LEGO blocks

Let's go a step further and look up the following Scriptures in the BIBLE. We always want to be able to back up what we believe with the Authority of the BIBLE.
