Read through Proverbs 31:13-28

What strikes you about this passage as you consider the topic of money and stewarding our resources?

There is a lot in scripture about money, what are some passages that either encourage you or that you find challenging and difficult?

In regards to our finances Laura suggested three things to keep in mind:

First to set our affections on Heaven, not having money as our idol, not looking for it to solve our problems or bring fulfillment.

Second to look at life with a new vision asking what does God want me to do with my time and efforts?

Third caring for those in need, generously giving to others and to God’s work in the world.

As you look at each of these where might God be asking you to focus on? Is there something you might adjust in your life to bring wholeness and freedom in regards to money?

Pray for one another.
