

GOD IS THE LORD

EXODUS Chapter 3:1-22

Some questions to ponder (can answer on back of page with words or drawing answers) -

- How can you show God that He is Lord of your life?
- Is there some area in your life that you would like God to be Lord over that you haven't given Him permission to be Lord over yet? What is it?
- What would you like to say to God in thanks for Him being Lord in your life?
